April WIS / NextGen Happy Hour Social Recap

On May 2nd, the Women in Security and NextGen (formerly Young Professionals) Chairs hosted a happy hour social at Iguana on Park. The event was well attended and included several “first timers” at one of our events. Everyone had a great time enjoying drinks and apps while networking with likeminded industry security professionals. Be on the lookout and join us for our next in-person event!

Thank you again Genetec and Hanwha for sponsoring this event!

May is Military Appreciation Month

Congress designated May as National Military Appreciation Month in 1999 to ensure the nation was given the chance to publicly show their appreciation for troops past and present. It serves as a reminder of the profound contributions made by service members.

Please forward any information, photos, etc. of any activities your organization is doing to recognize Military Appreciation Month.

May is Law Enforcement Appreciation Month

May 12th – May 18th is National Police Week
May 15th is National Peace Officer's Memorial Day

In 1962, President Kennedy proclaimed May 15 as National Peace Officers Memorial Day and the calendar week in which May 15 falls, as National Police Week. Established by a joint resolution of Congress in 1962, National Police Week pays special recognition to those law enforcement officers who have lost their lives in the line of duty for the safety and protection of others. National Police Week is a collaborative effort of many organizations dedicated to honor America's law enforcement community.

Legislative Update

Florida Legislature

HB 275 / SB 340 – Critical Infrastructure: Received resounding approval and is headed to Gov. DeSantis for signature. The Bill is designed to safeguard infrastructure integral to daily life, commercial activities, and the efficient flow of goods and services across the state. **PASSED**

- Provides criminal penalties for improperly tampering with critical infrastructure resulting in damages
- Provides enhanced criminal penalties for trespassing upon critical infrastructure
- Provides criminal penalties for unauthorized access to or tampering with specified electronic devices or networks

HB 473 / SB 658 Cybersecurity: Passed by the House and headed to the Senate with an 81-28 vote. This Bill seeks to incentivize companies to embrace robust, nationally-recognized cybersecurity protocols and standards by offering liability protections if there is a data breach.

PASSED

- Incentivizes companies to embrace robust, nationally recognized cybersecurity protocols and standards by offering liability protections if there is a data breach.
- By incentivizing proactive cybersecurity measures, the bill not only fortifies the resilience of critical infrastructure but also ensures the uninterrupted provision of life-saving services and facilitates commerce.

SB 330: Behavioral Health Teaching Hospitals (Chamber Priority “Live Healthy”) **PASSED**

- Increases access to mental health services through the expansion of educational opportunities for those seeking to enter the mental health profession and the creation of a behavioral health hospital system.

Some 2024 Governor, House, and Senate priorities include the Healthcare Workforce Shortage, Technology (SM, AI, Cybersecurity), and Law and Order

Security Spotlight

Officer John Mascia was on-duty at a financial institution when, through his diligent observation, he witnessed an attempted carjacking in the parking lot. Officer Mascia immediately took action and heroically intervened. His bravery stopped the crime, and he was able to move the victim to safety. Officer Mascia's training allowed police to use his detailed description of the suspect and direction of travel to aid in the suspect's arrest.

Officer Mascia is a hero and asset to his company.
